Retail

Medical

Antimicrobial
The scanner is made with antimicrobial substances to keep away germs and viruses.

Spill Resistant
The scanner's spill resistant design helps to prevent fluids from staying inside, which would otherwise cause damage to the scanner.

Drop Protection
With its drop protection design, the NuScan 2500TR less likely to become damaged due to accidental drops.

Long Scanning Range
The CCD sensor is able to scan barcodes up to 20 inches scan depth.
